GOVERNMENT OF MADRAS.

ELECTORAL ROLLS (ASSEMBLY AND PARLIAMENTARY)
(ANNUAL REVISION, 1953) CIRCULAR NO.7.

Memorandum No.3244/53-7, Public (Elections), dated 27th August 1953.

Sub: Electoral Rolls - Madras Legislative Assembly, and House of the People and Madras Legislative Council - Form of electoral roll relating to Armed Forces Personnel and absentee officers - Further instructions.

Ref: Electoral Rolls (Assembly and Parliamentary) (Annual Revision, 1953) Circular No.5 / Memo.No. 2510/53-2, Public (Elections) / dated 8-7-1953.
2. Government Memorandum No.2510/53-3, Public (Elections), dated 14-7-1953.
3. Government Memorandum No.3244/53-3, Public (Elections), dated 4-8-1953.

The form of the part of the electoral roll (Assembly and Parliamentary) relating to the Armed Forces personnel and absentee officers (Sections III and IV of the roll) communicated with the Circular first cited should be further modified as follows:-

(1) The main heading "Electoral roll for . . . . constituency" should be altered as

"Electoral roll of 1953 (Armed Forces personnel and absentee officers)".

The name of the constituency need not be mentioned in the roll.

(2) A new column with the heading 'Place of ordinary residence, house number etc.' should be inserted as column (2) after the column relating to serial number and the existing columns (2), (3) and (4) should be renumbered as columns (3), (4) and (5) respectively.

2. The preparation and printing of this part of the final ~~fixed~~ electoral roll in the form amended as indicated above should be proceeded with. The following points should be noted in this connection.

(1) The serial number in column (1) should be in continuation of the last serial number in the main part of the roll relating to Sections I and II (that is, consolidated final electoral roll or list of amendments of 1953, as the case may be) of the unit concerned.

(2) In column (2) - 'Place of ordinary residence, house number etc.' - only the full house number / e.g. (5-2-25) or (5-25) or (25), as the case may be / need be entered as in the case of the main part relating to Sections I and II and also in the same order.

p.t.o

(3) As in the case of the main part of the roll relating to Sections I and II, the name and designation of the Electoral Registration Officer should be printed at the end of this part relating to Sections III and IV also; in the copies intended for supply to the Electoral Registration Officer of the Parliamentary constituency, the name and designation of that Electoral Registration Officer should be printed.

(4) In areas where sections III and IV were prepared separately in the revision in 1952 or where the rolls will be consolidated in the revision this year, these sections in the existing roll will be superseded by the final roll of 1953.

Where Sections III and IV were prepared in continuation of Sections I and II in the lists of amendments of 1952 and where the rolls (i.e., Sections I and II) are not to be consolidated but only a further list of amendments is to be prepared in this revision, the existing entries in these sections in the 1952 list should be deleted by a single deletion entry in the list of amendments of 1953. This deletion entry may be made on the strength of the orders of the Revising Authority already obtained under the instructions in paragraph 2 of the Circular first cited for preparing Sections III and IV separately in a consolidated form.

3. As regards the electoral rolls for the constituencies of the Madras Legislative Council, a separate final roll for the <u>constituency as a whole</u> should be prepared in respect of voters belonging to Armed Forces personnel and absentee officers. Such a separate roll need be prepared for any constituency only if there are any such voters therein. The following points should be noted in this connection:-

(1) A new column with the heading "Place of ordinary residence (House No., Village, Taluk, District)" should be inserted after the column relating to serial number in the form of the roll communicated with the Circular first cited and the existing columns (2), (3) and (4) should be renumbered as columns (3), (4) and (5) respectively.

(2) The details "District", "Taluk/Sub Taluk" etc. in the heading should be omitted and only the main heading should be printed as follows:-

"Electoral roll of 1953 for ----------
constituency of the Madras Legislative Council".

(3) The roll should be prepared in two sections with the sub-headings "Armed Forces personnel" and "Absentee Officers" respectively. The entry of the names of voters in column (3) of the roll in each section should be in their alphabetical order. The serial number of voters in this part

p.t.o

of the roll should be in a separate series for each constituency, but continuous for both sections.

(4) The instructions in sub-paras (3) and (4) in paragraph 2 above will apply mutatis mutandis in respect of this part of the Council rolls also.

(5) For the informal & final publication of the electoral rolls, it is sufficient if copies of this part of the final roll are published only in those electoral areas (i.e. units) in respect of which there are entries ~~therein~~ therein.
